Re: Vehicle replacement schedule

Dear Valued Customers:

As you know, last month we informed you that the Board of County Commissioners voted to postpone the retirement of for-hire vehicles scheduled to be retired from service by December 31, 2010. These vehicles have been allowed to continue operating until a final decision is taken at the next Board's meeting.

An ordinance amendment allowing these vehicles to be operated until December 31, 2011, has been scheduled for public hearing at the February 7, 2011 Regional Transportation Committee meeting. Final approval is expected on March 1, 2011.

If you obtained a temporary "green decal" for your vehicle and wish to continue operating it after January 31, 2011, you are directed to take the vehicle to PTRD's Inspection Station to obtain a new temporary "green" decal free of charge with an expiration date of March 31, 2011. In order to expedite this process your vehicle will be decalated at the re-inspection lane. However, if your vehicle is due for its regular quarterly inspection, a full inspection will be performed to ensure that the vehicle is road worthy and all applicable fees will be charged. Should you have any questions or need assistance, please feel free to contact Mr. Dave Mattison at (305) 638-6051 or at Dave@miamidade.gov.
